## Job offer:

Delivery Driver

## Description:

As a delivery driver within our pharmacy, your main role will be to ensure an exceptional experience for our customers by delivering their prescriptions and other purchased products directly to their homes. You will be the ambassador of our establishment, offering quality service and ensuring customer satisfaction.

## Responsibilities:

- Retrieve prescriptions and other ordered items from the store by the customer.
- Deliver prescriptions and goods to customers according to the schedule and territory established by your immediate supervisor, in a courteous and attentive manner.
- Communicate customer feedback, suggestions, and any delivery errors to your immediate supervisor.
- Collect payments, provide change and cash receipts in person, and hand over the collected amounts to the store.
- Maintain the assigned delivery vehicle clean and in good working condition.
- Adhere to the traffic regulations and maintain a responsible and courteous attitude while driving.
- Ensure that the necessary supplies for the proper functioning of the service are available in sufficient quantities.
- Perform other tasks assigned by the manager or pharmacists.

## Qualifications:

- Must be 18 years of age or older.
- Experience in delivery and customer service.
- Availability according to the established schedule.
- Good communication skills.
- Teamwork and collaboration.
- Ability to handle transactions with accuracy and responsibility.
- Customer-oriented, excellent attention to detail, and strong mathematical abilities.
- Good sense of autonomy.

# Groupe Innovo

-
